

DÉJÀ VU

It was déjà vu all over again for Champion Sire Kitten's Joy. This week it was Sheikh Hamdan. Last week it was Sheikh Mohammed. This week it was Chantilly. Last week it was Royal Ascot. This week it was a \$675,000 Keeneland September yearling purchase bred by Dixiana. Last week it was a \$350,000 yearling purchase bred by Helen K. Groves and consigned by Gainesway. This week it was Taareef who won the Prix Daphnis (G3) by three quarters. Last week it was Hawkbill who landed his fifth straight in the Tercentenary Stakes (G3).

The French call it crème de la crème, we call it the cat's meow.
