

Kitten's Joy brings home an Oscar at Santa Anita as Oscar Performance wins Best Picture in BC Juvenile (G1)

Oscar Performance looked the part of a leading man as he forged to the front of the pack at the top of the stretch, acting like a true star, a length and a quarter to the good at the wire. The winner accomplished this feat without the aid of Lasix. This was the fourth victory for progeny of Kitten's Joy at the Breeders' Cup. Keep Calm and Buy or Breed a Kitten's Joy.
